President Rajapaksa deserves India's highest honour - *Dr Subramanian Swamy*

President Mahinda Rajapaksa deserves the highest honour of Bharat Ratna for exterminating the Liberation Tigers of Tamil Eelam, Dr Subramanian Swamy said. Dr Swamy said the LTTE is anti-Indian outfit. Bharat Ratna is India's highest civilian award, awarded for the highest degrees of national service.

Asked from Dr Swamy whether Sri Lanka should look for third party mediation in the devolution process as proposed by the TNA, he said: "TNA is a pro - LTTE outfit. By pass them.

Then Tamils will also be with you."
