

Subramanian Swamy, sworn enemy of Congress

Feb 2, 2012, 06.59PM IST

MUMBAI: Mobbed by cameramen and with two fingers raised in a victory salute, **Subramanian Swamy** stood before the Supreme Court on Thursday, flushed with the vindication of an unrelenting legal campaign aimed at the country's most powerful politicians.

A former minister and Harvard professor who is exalted by his Hindu nationalist followers as a crusading hero, Swamy has waged a decades-long war against the ruling Congress party and the Nehru-Gandhi family at its heart.
